

SO HERE YOU ARE AT MY WEBSITE WONDERING WHY ON EARTH YOU SHOULD GET ONE OF YOUR OWN. LET ME GIVE YOU SOME REASONS FOR TAKING THE PLUNGE...

---

*With a well designed and thought out website your information can be available 24/7.*

How many hours each week do you work? How many of those hours do you spend on marketing and promotion? What happens in your workplace when you are off? At weekends? How many potential clients are you missing?

You cannot control when a customer may realise they need your services but you can have a way for them to look at your business and find out what they need to know when they need to know it.

---

*A website is affordable and carries few risks.*

An ad in, say, the phone book is there – static –for the year. What if your business changes?

A website can be changed alongside your business needs and can be developed to fit in with your budget.

***A PROFESSIONAL, USEABLE AND STANDARDS COMPLIANT WEBSITE GIVES YOUR CUSTOMERS CONFIDENCE IN WHAT YOU CAN DO FOR THEM. WHY NOT CONTACT SHARON AND SEE WHAT AN ATTRACTIVE, AFFORDABLE WEBSITE CAN DO FOR YOU.***
